

Welcome to Croft Playgroup EST. 1972

Soon you will be coming to play with us at Playgroup. We are all looking forward to saying hello and getting to know you.

This leaflet will tell you more about playgroup.

When you arrive at playgroup you will come through these doors...

You will wait in the Foyer until the doors to Willow and Oak room are open.

You might like to read a book in our library with your grown up.

You can hang up your coat,

and put your lunch box on the rack.

When you go into your room you can
put your water bottle on the tray and
hang up your leaf

Then you can play! There are lots of different things to play with and you can choose what you would like to do...

You can have a snack with us if you want to.
When it is lunch time we sit together to enjoy
our lunch.

If you need to wash your hands or go to the
toilet you can use the toilets at playgroup.

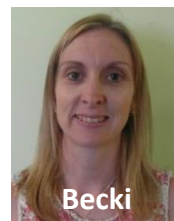

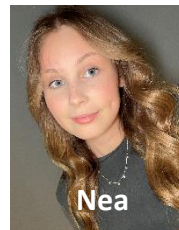

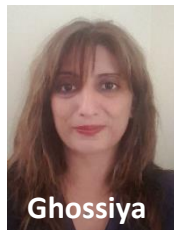

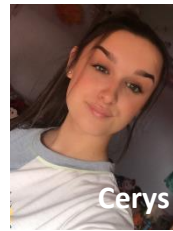

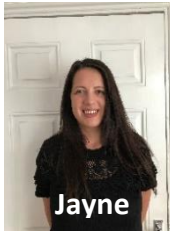

Sometimes we sit together to sing, read and talk.

The grown-ups at Playgroup are here to play with you and look after you. You can talk to them and they will always try to help you. Here are their photographs:

We are all looking forward to meeting you.
